

SPIRITUAL LIFE & COUNSELING

Surviving Parent Care

March 15 - April 26 **Every Sunday 6:30pm-7:30pm**

Cathy will present some of her experiences in caring for her aging mother at home and in the hospital and nursing home. She will help you begin, steer you toward resources, give hints and encouragement, laugh and cry with you. Some topics are: communication, medications, helping your parent improve and maintain their health, caregiver burnout, forgiveness, Medicare, fun things to do with your parents. Whether your parent is just beginning to need a little extra help, or you are in the thick of it now, or your parent has passed away and you are still healing, bring your questions and your experiences to share with others.
